MORE THAN MEMBERSHIP

The Association for Specialist Fire Protection (ASFP) is the leading voice for the passive fire protection (PFP) sector. Established in 1975, we have spent five decades championing quality, competence, and innovation across the built environment. Today, we are proud to represent a diverse community of manufacturers, contractors, consultants, testing bodies, installers, and other professionals who are united by a shared commitment to raising fire safety standards.

Becoming a member of the ASFP is more than just joining an Association. It's about becoming part of a trusted community that's shaping the future of passive fire protection. Our members don't just benefit from technical resources; they gain access to a powerful suite of support, opportunities, and connections that drive real growth and development in the passive fire sector.

HAVE A QUESTION?

We're here to help you succeed! Whether that's by answering your questions, guiding you through the membership options, or offering tailored support as you make the most of your ASFP membership. No matter where you are on your professional journey, our goal is to provide you with the connections, resources, and opportunities to thrive in the passive fire protection industry.

Together, we're building a stronger, safer, and more connected passive fire protection community — one member at a time.

MEET THE MEMBER SHARE YOUR STORY

Step into the spotlight with Meet the Member, our exclusive ASFPTV feature designed to showcase the people, businesses, and stories driving the passive fire protection industry.

We'll visit your office, workshop, or project site to capture a behind-the-scenes look at your organisation. Through an on-site video interview, you'll have the opportunity to:

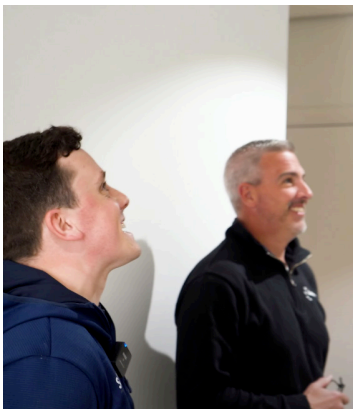

- Introduce your company and team
- Share your story, expertise, and unique industry perspective
- Discuss key trends, challenges, and innovations shaping passive fire protection
- Demonstrate your commitment to best practice and life safety

Your Meet the Member video will be featured on ASFPTV's YouTube channel and promoted across ASFP's communication platforms, giving your business valuable exposure to the wider fire protection community. It's a powerful opportunity to build brand credibility, raise your profile, and connect with peers, partners, and potential clients across the industry.

Interested? Contact the Membership Team today to arrange your feature and let's share your story with the ASFP network.

Watch existing episodes of Meet the Member by visiting ASFPTV on YouTube or simply scanning the QR code below. Discover how other members are making an impact in the passive fire protection industry and get inspired to share your own story.
